

PETITION FOR WATER SUPPLY SYSTEM

Location:

Brief description of locations and roads and streets:

We, the undersigned, acknowledge we are the record owners of the real estate within the proposed water assessment district and we hereby would like to request the Ash Township Board to extend the municipal water supply system under the authority of MCLA 41.721, amended.

We, the petitioners, understand that the improvement will be constructed in accordance with plans that will be prepared, reviewed and approved by the township board and their engineer, and that the costs thereof, including expenses connected with engineering and legal costs will be assessed against each parcel of land within said proposed district and in accordance with Township Board policy. The payment of the assessment may be in a lump sum or it may be divided into equal installments for a period to be determined by the Township Board in accordance with MCLA 41.721, as amended. Tentatively a 15 year payment schedule is anticipated.

As to this specific project, the Township Engineer has projected a per parcel cost in the approximate amount of _____. This is based on the decision by the Ash Township Board to participate in _____ of the project cost.

If the recorded owners of real estate of more than 50% of the total land area are within the proposed water assessment district is in favor of the proposed district the Township Board will proceed with engineering studies to determine a more accurate cost.
