

6/12/2020

Thank you for participating in our Community Dump Day.

Please be aware that during this time of heightened awareness due to COVID-19 the safety of our employees and of the general public are of the utmost importance to us.

If you, are experiencing any of the following symptoms, we politely ask that you do not visit our facility.

- Coughing, Fever, Shortness of breath, and difficulty breathing
- Chills, body aches, sore throat, headache, diarrhea, nausea/vomiting, and runny nose
- Fever and symptoms of respiratory illness

We respectfully request that if you choose to come to our facility that you agree to abide by the following precautionary measures.

- Place your identification on the dash of your vehicle to verify residency.
- Items for disposal will be screened and visitors will be asked a list of screening questions by the gate attendant before entering the facility.
- Visitors to the site should only exit their vehicles once they reach the unloading area.
- While outside the vehicle please maintain a distance of at least 6' from employees and other visitors.
- Please limit the number of people outside the vehicle at the unloading area to 1 or 2 people.
